THE NOTTINGHAM ADDS NEW TWO AND THREE-YEAR FIXED PRODUCTS TO GROWING RANGE

A 90% LTV three-year fixed and a product designed for larger loans of £350k and above are among the latest residential mortgages unveiled by The Nottingham.

The building society has added four mortgages to its range to grow it into a more “rounded proposition” with increased options for different circumstances. They are;

- Three-year fixed 90% LTV, 3.40% (purchase and remortgage) product, £199 upfront fee
- Minimum loan £350k, two-year fixed 80% LTV, 1.75% purchase and remortgage product with £999 (£199 upfront) fees
- Two-year fixed 80% LTV, 1.95% remortgage-only product with no fees
- Two-year fixed 85% LTV, 2.60% (purchase and remortgage) product with no fees

Nikki Warren-Dean, The Nottingham's Head of Intermediary Sales, said: “These products are further examples of our desire to keep widening our product range to ensure we have the most rounded proposition possible.

“Having recently returned to the 90% LTV space and expanded distribution of our popular new five-year fixed remortgage product we have introduced these two and three-year fixed options and now have a competitive deal available for larger loan lending.”
